***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: the examiner has considered applicants' request for reconsideration filed October 15, 2007.

Applicants' arguments therein were found persuasive, particularly in regard to the unexpectedly higher yield obtained according to the present invention, compared with the yield obtained in closest prior art of record. Accordingly, the examiner has withdrawn the rejection(s) of record. The instant claims are now allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sikarl A. Witherspoon whose telephone number is 571-272-0649. The examiner can normally be reached on M-F 8:30-6:30.
